WIRELESS AND SOCIAL MEDIA PLUG-INS

(a) **Wireless Features.** The online services may offer certain features and services that are available to you via your wireless device. These features and services may include the ability to access the online services' features and upload content to the online services, receive messages from the online services, and download applications to your wireless device (collectively, "Wireless Features"). Your carrier may prohibit or restrict certain Wireless Features and certain Wireless Features may be incompatible with your carrier or wireless device. In addition, your carrier may charge you for standard messaging, data, and other fees to participate in Wireless Features. Fees and charges may appear on your wireless bill or be deducted from your pre-paid balance. We have no responsibility or liability for any fees or charges you incur when using Wireless Features. You should check with your carrier to find out whether any fees or charges will apply, what plans are available and how much they cost. You should also contact your carrier with any other questions regarding these issues.

(b) **Terms of Wireless Features.** If you register for any Wireless Features then you agree that, in connection with those Wireless Features, we may send communications to your wireless device regarding us or other parties. Further, we may collect information related to your use of the Wireless Features in accordance with our Privacy Policy. If you have registered via the online services for Wireless Features, then you agree to notify UWK of any changes to your wireless contact

information (including phone number) and update your accounts on the online services to reflect the changes.

(c) Social Media Plug-Ins. Social media plug-ins of social networks such as Facebook, Instagram, and Twitter (amongst others) are integrated on our Site and other online services. Where our online services contain a plug-in to a social network, these are clearly marked (e.g. with a Facebook button). If you chose to click on one of these buttons or links, your browser connects directly to the servers of the relevant social network. The social network directly transmits the content of the plugin to your browser. If you are registered on the relevant social network and logged into your respective account the social network receives the information that the web page was used by you. If you interact with a social network plug-in (e.g. you press the Facebook "Like" feature, and the Twitter "Tweet this" feature or equivalent) or drop a comment on the appropriate web page, the corresponding information is directly transmitted to the relevant social network from your browser. If you are not registered with the social network or you are logged out before you visit our online services, there is the possibility that at least your IP address will be submitted to and stored by the social network. If you interact with us through a social media platform, plug-in etc., then you may be permitting us to have on-going access to certain information from your social network profile (such as name, social networking id page, email address, photo, gender, location, the people/sites you follow etc.).

If you don't want the social network to collect the information about you described above, or to share it with us and other third parties, please review the privacy policy of the relevant social network and/or log out of the relevant social network before you visit our online services. As with other sites, you may be able delete any existing cookies placed on your computer by the social network via your browser. See our Privacy Policy to find out more about how our Sites contain plug-ins to social media networks.

BECAUSE SOME JURISDICTIONS DO NOT ALLOW FOR THE EXCLUSION OF DAMAGES, UWK PARTIES' LIABILITY IN SUCH JURISDICTIONS SHALL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY THE LAW OF SUCH JURISDICTION.
